CHAIRMAN AEC's VISIT TO GCNEP, BAHADURGARH

GCNEP is the sixth R&D unit under the aegis of DAE located near Bahadurgarh, District Jhajjar, Haryana. The total land for Center is divided in two plots viz. Township site (103 acres) and Academic Campus (127 acres). DCSEM is entrusted with the responsibility of Designing Constructing & developing the Civil & MEP Infrastructure. The beneficial occupancy of Phase I buildings (Guest House Block-A & School-01) was done in April 2017. Presently Constructions works for Phase II comprising of Guest House Block-B, Dining, Recreation Center, Housing, Central building and School-02 buildings are all in advanced stage.

Shri. K. N. Vyas, Chairman AEC, accompanied by Dr. A. K. Mohanty, Director, BARC & Shri. B. K. Jain, Director, DCSEM alongwith other officials visited GCNEP Township & Campus Sites on 07.10.2021 and inspected the Phase-I and ongoing construction of Phase-II. All the dignitaries took detour of the under construction sites Guest House, Block B, Recreation Center & Dining Hall in township site. This was followed by visit to the completed Housing Complex comprising of 64 nos. of Type III-C, Type IV D & 04 nos. of Type V E.

Later the dignitaries took part in the Bhoomi Pooja for development of Miyawaki Type Urban Forest at campus site. Saplings were also planted by Chairman AEC, Director, BARC & Director, DCSEM. This was followed by a visit to the iconic Central Building which is in advanced stage of completion. A presentation on Building Management System with add on features was also made during their site visit.

Chairman, AEC & Director, BARC appreciated the overall design and construction works executed by DCSEM.
