# BRIEF REPORT ON INAUGURATION OF "PARASNATH" AND "JAINTIA" TYPE D QUARTERS

Newly constructed residential buildings **"JAINTIA" & "PARASNATH"** Type D Quarters were inaugurated by **Dr. Ajit Kumar Mohanty,** Chairman AEC & Secretary DAE, on 31-10-2023, in the presence of **Shri K. Mahapatra,** Director – DCSEM and other senior officers of the DCSEM/Department.

**Jaintia** building is located near to Sabarigiri building and **Parasnath** building is located near Kailash building in the western part of Anushaktinagar. Each of these buildings is planned as a Stilts floor plus 18 upper floors. Each building consists of two wings with three flats per wing (total of 6 flats per floor). There are only 4 flats each on $8^{th}$ & $15^{th}$ floors, as refuge area (equivalent to 2 flats area) is designated as refuge area as per Statutory requirements.

Each Type D Quarters contains 104 flats, and there are a total of 208 flats in both buildings.

Each building block is provided with 2 no.s of Lifts (one lift suitable to carry stretcher in case of emergencies), along with 2 staircases in each wing for vertical movement.

Each flat is provided with a car parking space at ground level / Stilts floor level.

These two buildings are designed, and Constructed by DCSEM.
