Brief on Swachhata Pakhwada - 2024

Swachhata Pakhwada – 2024 was observed by DCSEM, from 16th Feb., 2024 to 29th Feb., 2024, in Anushaktinagar, as it continues to strive for Cleaner & Greener environment through its policies and actions.

As part of Swachhata Pakhwada - 2024, following programs was arranged to propagate the clean & green initiatives of DCSEM.

ANUBAN (Urban Forest – II) at Mandala (near 312 type E flats), Anushaktinagar:
Shri Vivek Bhasin, Director, Bhabha Atomic Research Centre (BARC), inaugurated **"ANUBAN"**, an Urban Forest – II, developed by DCSEM, in Mandala (near to 312 Type E Flats) on 26th February, 2024, in the presence of Shri K. Mahapatra, Director, DCSEM and senior officers of DSCEM & BARC. "ANUBAN" is partly based on Miyawaki concept of Urban Forest along with coverage of colourful flowering plants and indigenous trees with botanical names, Butterflies, Children Play park along with Gym facilities.

The planning of **"ANUBAN"** is based on design of DAE logo. The pedestrian paths between the clusters of plants/trees with centric circular core resemble the DAE LOGO. The message of "Care for Nature" is beautifully depicted at the central area near the entrance to **ANUBAN** with gigantic caring hands holding greenery & flowers. A beautiful Forest Deity is also placed to propagate the divinity of the Urban forest.

The ANUBAN is spread over an area of about 5000 Sqmts, which shall be the largest in Anushaktinagar and aims to improve the serenity of the area and quality of air.
