POSTGRADUATE HOSTEL FOR HBNI & BARC AT ANUSHAKTINAGAR:

The Postgraduate Hostel Building, a hostel accommodation for trainees of HBNI & BARC, on Central Avenue Road, at Anushaktinagar, Mumbai, was inaugurated by Dr. Anil Kakodkar, Member, AEC & Chairman, Rajiv Gandhi Science & Technology Commission, on 14-01-2023, in the presence of Shri K. N. Vyas, Chairman, AEC & Secretary, DAE, Dr. R. B. Grover, Emeritus Professor, Dr. A. K. Mohanty, Director, BARC and Shri K. Mahapatra, Director, DCSEM.

This Hostel Campus consists of 3 buildings namely, Bachelors' Accommodation (2 buildings – B1 & B2) and Married Accommodation (One building with two wings M1 & M2).

Bachelors' Accommodation Buildings, B1 & B2 are planned with Ground + 7 upper floors to accommodate Bachelor students. There are 48 rooms in each floor and all the rooms are planned as single occupancy with attached toilets and a walk in wardrobe. Some common facilities such as TV rooms, Multipurpose rooms, indoor games in ground floor of both buildings. Each floor is planned to be provided with gathering spaces, discussions spaces at three locations. There are 376 rooms in each building and a total of 752 rooms together in B1 & B2 buildings. Each building is provided with 2 lifts and 3 staircases for vertical circulation and 1.80 mts wide corridors for horizontal circulation.

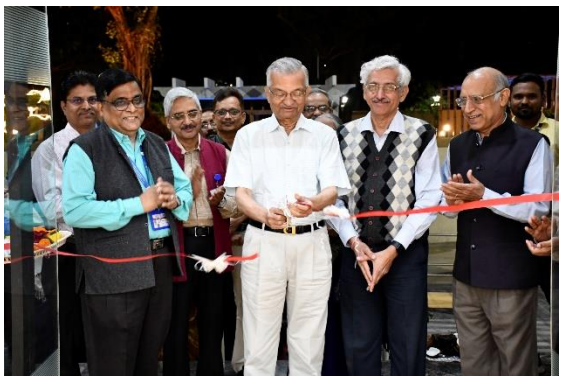

Married Accommodation building in two wings M1 & M2, is planned with Part Ground floor, Part Stilts + 12 upper floors. There are 24 flat-lets in each floor. Each of the flat-let is provided with a living space, sleeping space, small kitchenette, with attached toilet and a wardrobe. Common facilities such as Gymnasium is provided in first floor. 12th floor is planned to accommodate 14 no. of RRF offices, with 2 conference rooms. Common sharing facilities such as photocopiers, pantry, drivers waiting spaces and toilets are provided on either end in 12th floor. This building is provided with 4 lifts (2 in each wing), and 3 staircases for vertical circulation and 1.80 mts wide central corridors for horizontal circulation. Refuge area of 250 sqmts (as per statutory requirements) is provided on 7th floor of this Married Accommodation Building.

The central space between these B1, B2 & M1, M2 buildings is beautifully designed as a landscape feature which shall accommodate various activities required for Hostel-mates, such as introvert and extrovert discussions spaces to suit various sizes of groups, small amphi-theatre with an open stage for performances or debates, 24 hours food court with table cum seatings merged with landscape and plenty of seating spaces along with walkways in the area.

This Campus of Postgraduate Hostel for HBNI & BARC along with landscape is designed, and Constructed by DCSEM.
